

# EMCOG Local Fresh Food Guide

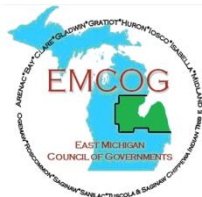

The Fresh Food Guide has been created to help citizens locate the availability of fresh foods near them within the EMCOG region and promote healthy eating.

It shows Farmer's Markets, farm stands, food festivals, Farms & U-Pick Farms, Local & Organic Food Markets.

Eating local will not only aid in sustaining agriculture but also promote economic development in our communities resulting in good health plus an environment friendly and equitable future.

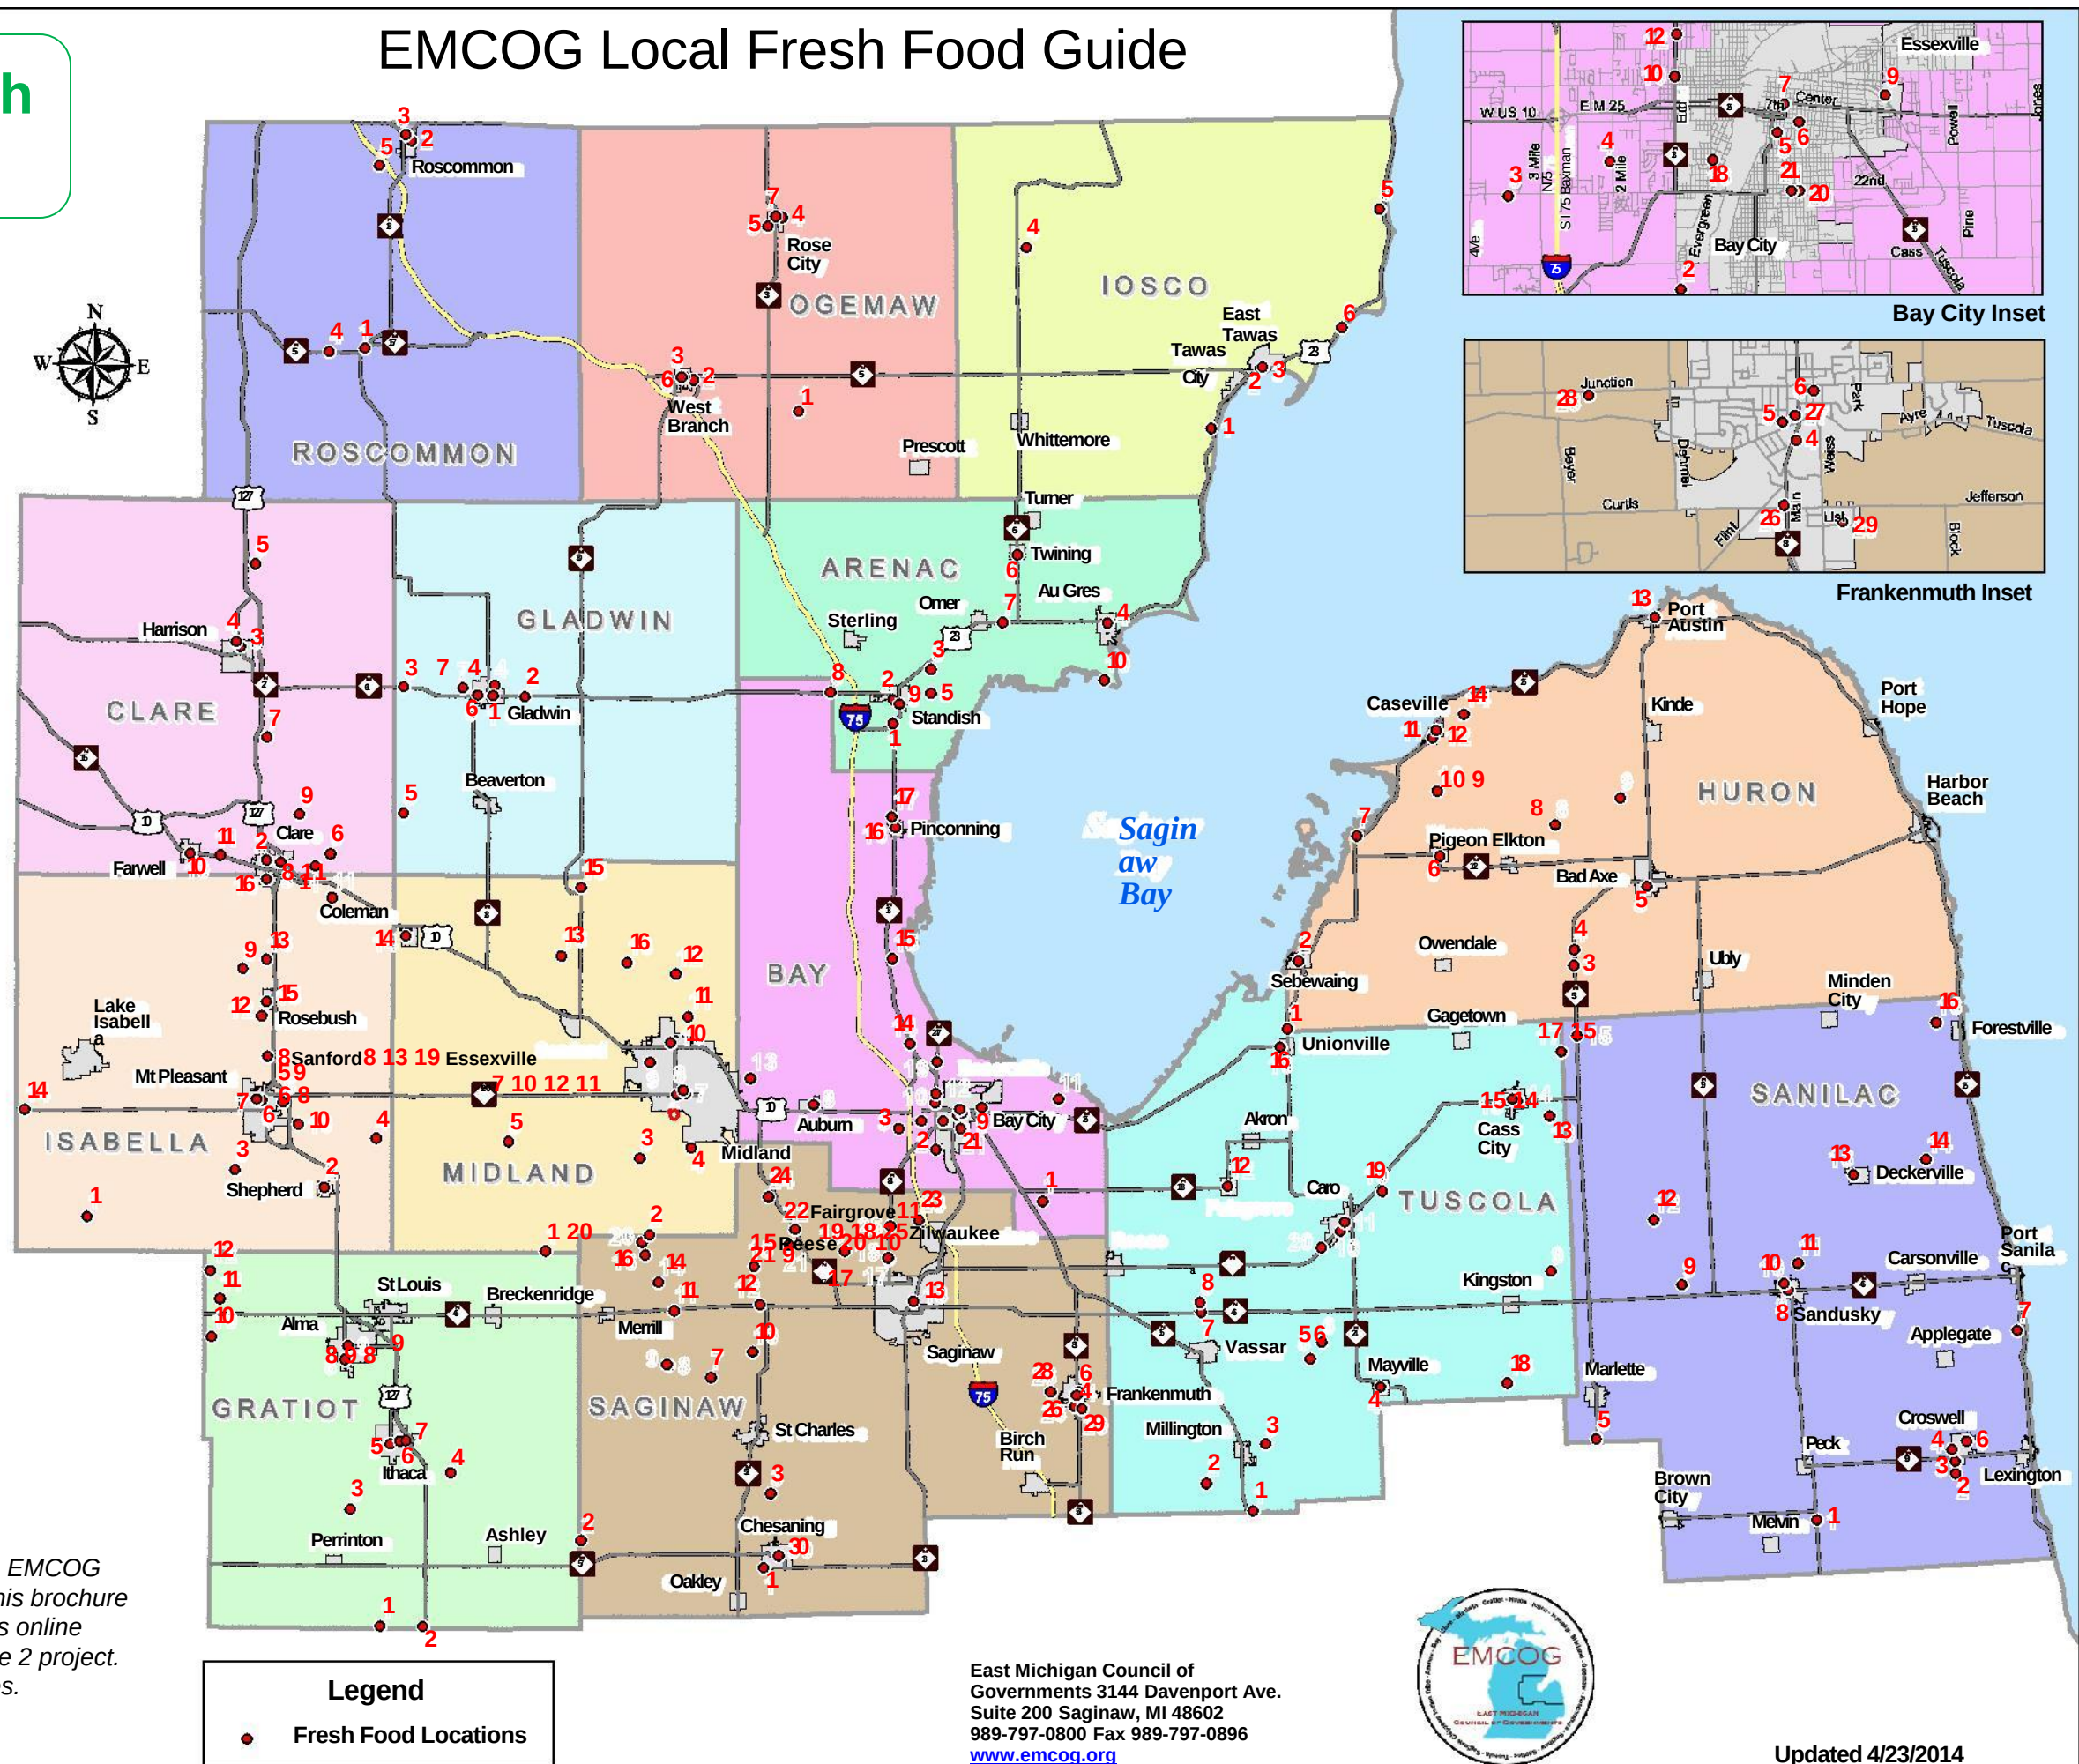

MICHIGAN STATE UNIVERSITY | Extension

Committed to the future of rural communities.

This Fresh Food Guide has been developed as a part of the EMCOG Regional Food Systems Assessment and Plan document. This brochure is a work of in progress and depicts locations through various online sources and the Advisory Committee during 2014 as a Phase 2 project. Please contact <http://www.emcog.com> for reporting updates.
